An Open

Secret.

The fact is well under-

stood that the MEXICAN

MUSTANG LINIMENT is

by far the best external

known for man or beast.

The reason why becomes

an "open secret" when we

explain that "Mustang"

penetrates skin, flesh and

muscle to the very bone,

removing all disease and

soreness. No other liniment

does this, hence none

other is so largely used or

does such worlds of good.

MISCELLANEOUS.

An Efficient Remedy

In all cases of Bronchial and Pulmo-

nary Affections is AYER'S CHERRY

PECTORAL. As such it is recognized and

prescribed by the medical profession, and

in many thousands of families, for the

past forty years, it has been regarded as an

invaluable household remedy. It is a

preparation that only requires to be taken

in very small quantities, and a few doses

of it administered in the early stages of a

cold or cough will effect a speedy cure,

and may, very possibly, save life. There

is no doubt whatever that

Ayer's Cherry Pectoral

Has preserved the lives of great numbers

of persons, by arresting the development of

Laryngitis, Bronchitis, Pneumonia,

and Pulmonary Consumption, and by

the cure of those dangerous maladies. It

should be kept ready for use in every

family where there are children, as it is a

medicine far superior to all others in the

treatment of Croup, the alleviation of

Whooping Cough, and the cure of Croup

and Influenza, ailments peculiarly inci-

dental to childhood and youth. Promul-

gated in dealing with all diseases of this

class is of the utmost importance. The

loss of a single day may, in many cases,

result in fatal consequences. Do not waste

precious time in experimenting with

medicines of doubtful efficacy, while the

malady is constantly gaining a deeper

hold, but take at once the specific and

most certain to cure.

Dr. J. C. Ayer & Co., Lowell, Mass.
